Dear Grower

Cessation of Harvesting & Crushing – Clause 6.5 of the Cane Supply Agreement (CSA)

Based on an expected final crop of 8.130 million tonnes, no further rain disruptions and revised factory throughputs, harvesting is currently expected to finish on the following dates:

Invicta	Wednesday, 29 November 2017
Pioneer	Tuesday, 5 December 2017
Kalamia	Thursday, 30 November 2017
Inkerman	Saturday, 2 December 2017

All cane is to be delivered to the siding by 6pm on the nominated date for your mill.

This date will be reviewed regularly and any changes will be advertised through Wilmar Sugar's GrowerWeb and the weekly production report in the local newspaper.

All growers are asked to check that the estimate of cane remaining on each of their blocks is current. Any changes are to be made available to your logistics officer.

End of Season Wash-Up Pay

In accordance with Clause 4, Schedule 2 of your CSA, the end-of-season wash-up (End of Crushing Season Adjustment) pay will be made as soon as practicable after the end of the crushing season. Payment will be based on either the CSA payment method or PPA payment method based on a growers marketing nomination.

Finally, on behalf of our team I would like to take this opportunity to thank you for your efforts throughout the 2017 season.

Yours faithfully
