A total of 247,000 tonnes of cane was crushed last week, in the final week of crushing for three of our mills.

Invicta tipped its last cane on Tuesday, Kalamia on Friday and Inkerman on Sunday.

The last cane of the 2017 Burdekin crush will be tipped at Pioneer on Tuesday of this week.

The total crop will be 8.12 million tonnes.

Cane trains will continue to move about the district for several days after the last cane is crushed. Please continue to take care at level crossings.
