

Reef Trust Tender Round 3 - Workshop

5 February 2018 (9:00-11:00am)
PCYC, Ayr

Are you a Burdekin cane farmer interested in submitting a bid for the Reef Trust Repeated Tender?

NQ Dry Tropics invites you to the Reef Trust Tender Round 3 workshop.

The workshop will support Burdekin sugarcane farmers to apply for Australian Government funding of up to \$500,000 to reduce surplus nitrogen use. Take the opportunity to find out details about the programme and work through an example tender application form.

Agenda includes:

- Overview of the project guidelines and information pack
- Overview of the tender application form
- Developing an example tender application
- Eligibility criteria
- How to use the nitrogen management calculator
- Mapping tool demonstration
- Open question time
- Opportunity to register your interest, meet agronomists and get farm-specific advice

For more information on this project and how to apply, please contact NQ Dry Tropics or visit: www.nqdrytropics.com.au/reef-trust-repeated-tenders-burdekin

REGISTER NOW

on 4799 3500 or burdekintender@nqdrytropics.com.au
Smoko provided, catering cannot be guaranteed without prior registration.

The Reef Trust Repeated Tenders - Wet Tropics and Burdekin is supported by NQ Dry Tropics and Terrain through funding by the Australian Government's Reef Trust Programme.
