

How to find your Farm Estimate for the 2018 Season

Wilmar Portal

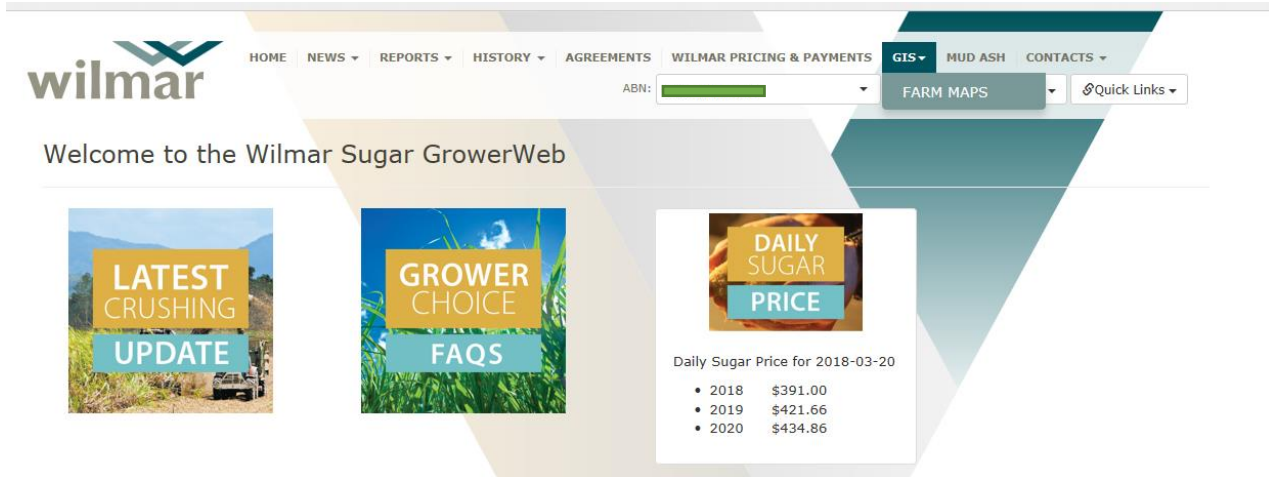

Table 1.

Step 1: To find your estimate for the 2018 season, go to the **GIS** tab and click on **Farm Maps** in the drop down box as shown in Table 1.

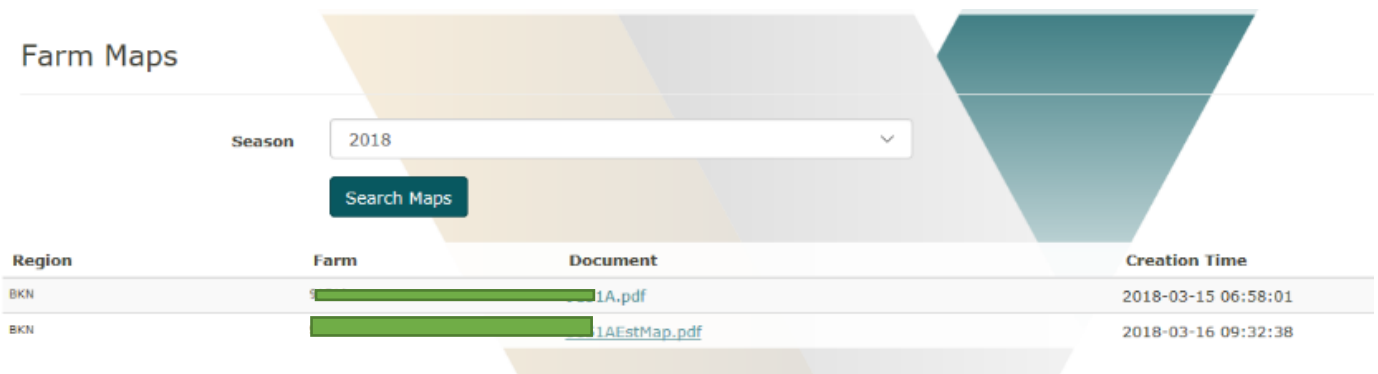

Table 2.

Step 2: Make sure you have the right season (2018).

Click on the second Farm document that has your farm number with **ESTMAP.pdf** after it as shown in Table 2.
