- The 2018 Burdekin crushing season will commence on Tuesday **12 June**.
- This start date for all four Burdekin mills is based on a pre-season crop estimate of **8.46 million tonnes**.
- We consulted Burdekin district grower groups about the proposed start date this morning.
- Based on a normal crushing season, with time allowed for wet weather, Wilmar Sugar's north bank mills are expected to finish the season on 25 November.
- Inkerman Mill is expected to finish crushing on 5 December.
