

Final 2017-Season Advances payment

QSL will today process the final QSL Advances payment for the 2017 Season.

This payment is in addition to any Advances payment made yesterday for 2018-Season deliveries.

Wilmar Growers are advised that their final 2017-Season payment includes amounts passed on from Wilmar covering end-of-season allowances and deductions payable under your Cane Supply Agreements, such as planting and supervision allowances.

These transactions will appear as a single line under the '**Wilmar Transactions**' section on your QSL Statement. For full details of these Wilmar transactions, please refer to your corresponding Wilmar Recipient Created Tax Invoice (RCTI).

For further information or support regarding your QSL Statement, contact the QSL Direct team on 1800 870 756 or email qslirect@qsl.com.au.

Regards,

The QSL Grower Services Team
