Welcome to your weekly overview of key QSL news and information.

2021-Season pricing

QSL is now accepting grower-managed pricing orders for the 2021 Season. Growers who wish to access this pricing must first ensure that they have both a valid Cane Supply Agreement (CSA) and QSL Marketing Nomination in place for the 2021 Season (please contact your bargaining agent if you are unsure of the current status of your CSA). Unfortunately Mackay Sugar Growers cannot price with QSL for the 2020 or 2021 Seasons until an On-Supply Agreement is in place with their miller.
