Comments:

Just over 396,000 tonnes of cane were crushed across the Burdekin's four mills in a week that included a scheduled stop at Invicta on B side.

In the coming week there will be a scheduled stop at Inkerman and Invicta on A side.

CCS continues to remain high, and both Invicta and Pioneer mills have averaged over 15 units for the past two weeks.

The highest CCS sample for the week was 17.7 from a rake of Q240 plant cane, recorded in the Kalamia area.
