SOIL HEALTH PROJECT

FIELD WALK, SOIL PITS ON DEMONSTRATION SITE IN MONA PARK

What: Meet for a field walk to view soil pits on the SRA Soil Health Project demonstration site in Mona Park.

The project team will be onsite to talk about regional soil constraints and the benefits of legume crops. This is an opportunity to inspect the impact of differing farm management practices and the effect of using subsurface mill mud application.

When: Friday 19th October

Time: 9:00 - 10.30am

Where: Wilmar farm, Mona Park.
Meet at the corner of Kenyon Road and Hall Road.

Light refreshments will be provided onsite.

RSVP TO:

*Terry Granshaw
M: 0437553149*

*Anthony Curro
M: 0484349868*

The SRA Soil Health Project of the Herbert & Burdekin regions is kindly supported by Herbert Cane Productivity Services Ltd (HCPSL), Burdekin Productivity Services (BPS), Queensland Department of Agriculture and Fisheries, Wilmar, The University of Queensland - UQ and @University of Southern Queensland - Australia.
