

Regional Advisory & Adoption Committee nomination, Sugar Research Australia

As a part of the new SRA adoption strategy, grower representatives are needed to participate in the Regional Advisory & Adoption Committee (RAAC). The RAAC will be made up of four grower and two milling members, chairman will be a grower and miller will be vice. This committee will prioritise the regional issues and represent the region in an Industry Adoption and Advisory Committee (IAAC).

SRA is wanting one grower from each of these four geographical areas.

- Millaroo/Clare/Mulgrave/Upper Haughton
- Northcote/Jardine/Selkirk/Giru
- Ayr/Delta
- Homehill/ Leichhardt

Grower Criteria

1. Being open minded and able to constructively debate issues;
2. Having a successful business or professional profile with their peers (growers, millers).
3. Profit Orientated information seekers, with interest in new technology and innovation;
4. Recognised leaders in facilitating or trialling and adopting/adapting new technology;
5. Have an understanding of costs, key profit drivers and causes of variation in physical and financial performance across businesses in their sector.

NB: Once nominated, SRA Regional Coordinator – Burdekin will interview and provide context around commitments of the role.
