

Canterbury Plains Grower Tour

Farmacist Burdekin invites you to submit an expression of interest in attending a 7-day trip to New Zealand to investigate water quality issues in the Canterbury region. The trip will focus on the solutions and innovations that NZ growers are implementing and whether we can potentially apply them in the Burdekin!

When:

Sunday 24th of March to Sunday the 31st of March, 2019 (TBC)

Location:

Flying into Christchurch and out of Queenstown (TBC)

Activities:

- ▶ South Island Agricultural Field Day
- ▶ Farm tours and events to be decided from grower input

Grower Expectations:

- ▶ Participation peer-to-peer learning opportunities upon return
- ▶ Though majority of the trip will be funded through DAF, there will be some grower contribution required
- ▶ Up to 10 growers selected, based on water quality issues in their sub-catchment
- ▶ 10 growers from the Mackay region will also be attending

To Apply:

Alice Warner: alicew@farmacist.com.au, 0402 924 955

Billie White: billiew@farmacist.com.au, 0409 477 359
