

# DIVERSITY CROPPING WORKSHOP

*Presented by*

Agroecologist David Hardwick

Cane farmer and Nuffield Scholar  
Simon Mattsson

***Burdekin Theatre Music Loft: 29-30 April (9am-4pm)  
161 Queen Street, Ayr***

Learn strategies to increase soil health and crop productivity by using diversity cropping methods such as:

- multi-species cover cropping;
- intercropping; and crop rotation

Learn how to assess your soil. Bring a shovel size cube of soil, and if you have had a soil analysis done, bring that too. You will have the opportunity to develop an action plan for your farm

To register or for more info, contact Peter Arthofer, Burdekin Regional Agriculture Landcare Facilitator, on Ph: 0488 675 033 / 4799 3500
