

The local Rabobank team and the Lando family are pleased to invite you to a **sugar industry update** hosted in the Rabo truck. The update is a follow on from the Sugar Symposium held in November last year.

Enjoy breakfast and a barista coffee prior to a presentation from our RaboResearch Commodity Analyst, **Charlie Clack**, and our RaboResearch Global Strategist Sugar, **Andy Duff**.

Charlie will discuss '*Subsidies, Sweeteners and Oversupply – An Outlook without the Sugar Coating*' and Andy's presentation will be '*Crossing the Line – What's Next for Protected Sugar Markets?*'
