Changes ahead? Let us know

Growers with a QSL Grower Pricing Agreement (GPA) who are planning changes to their farm's operating structure, such as a farm sale, new lease or subdivision, are asked to complete a QSL Farm Sale/Lease Information Form. While this can be done during or after the transaction, it's ideally done before the change to your farm arrangements occurs. To obtain a form, please contact your local QSL Rep or download it by clicking [here](#). Completed forms should be returned to your local QSL office or emailed to qslirect@qsl.com.au. For further information, please contact your local QSL rep or the QSL Direct team on **1800 870 756**.

Market Snapshot

Sugar prices for the Oct19 contract traded over familiar ground last week, ending up lower over the period. The Aussie Dollar (AUD) held steady before losing steam on the back of strong US payroll data on Friday. We expect to see the AUD continue to trade in the 0.69-0.70c range in the short term.
