

FARMERS UNITED

I refer to a recent post regarding support for the Farmers United campaign, urging members to visit their web page [click here](#) and consider the most appropriate contribution you can make in support of deferring the Bill. Contribution could be in the form of 1 or a combination of 3 options – 1. send an email of support or providing your thoughts/comments; 2. signing a petition; or 3. making a financial contribution toward the goal of raising \$2.1M via website gofundme page.

Have since been informed by Farmers United for any persons who may wish to donate to the Office of Science Quality Assurance and reluctant to do so via the gofundme page, due to transaction fees incurred, can now make financial contributions by:

1. Direct Deposit into a new ANZ account that Invicta Cane Growers has established titled *Farmers United Campaign*. Account details are below.

Account Name*	BSB*	Account Number*
FARMERS UNITED CAMPAIGN	014500	473001222

2. Alternatively a cheque could be drawn in favour of the "Farmers United Campaign" and sent to Invicta Cane Growers Organisation Ltd at PO Box 957 Ayr posted or delivered to ICGO's offices at 54 Queen St.

Either of the above options will avoid donors having to pay any transaction fees and also the donation may still be recorded but as an off-line donation on the gofundme page.

Regards.

Les Elphinstone
Manager KCGO
