Kristen Paterson - 0438470235 or  
[kristen.paterson@qsl.com.au](mailto:kristen.paterson@qsl.com.au)

Dr Connar McShane was born and raised on a family farm in North Queensland. Connar's research and community engagement interests have continued along this path working with farmers, industry and regional development groups to identify determinants of and strategies to enhance social and economic growth within rural farming communities.
