Dear Grower

- We had a smooth start to crushing at Invicta Mill yesterday.
- B side got under way at 6am and A side started up at midday.
- The factory has gone well since start up and cane supply is steadily increasing.
- Harvesting commenced today in the Kalamia Mill area.
- Growers and harvesting contractors have indicated they will start harvesting in the Inkerman Mill area on Saturday and Pioneer Mill area on Sunday.
- Current mill start up plans are:
 - Kalamia Mill - tomorrow, Friday 12 June
 - Inkerman Mill - Sunday 14 June
 - Pioneer Mill - Monday 15 June
- I will continue to keep you updated.

Best regards

PAUL GIORDANI

General Manager - Cane Supply and Grower Relations
