

Dear LBW Irrigators

A capital works progress report follows, including an open water supply update.

McDowells Pipeline Renewal Stage 2

Project is currently ahead of schedule. Pumpstation is scheduled to commence pumping on 13th July with open water available shortly thereafter.

Oats Gate

Capital works project complete.

Warrens Gully Pumpstation

Pump repairs were undertaken at Warrens Gully Pumpstation during the annual maintenance shutdown. The Pumpstation is now fully operational.

Sheepstation Creek crossing

Burdekin Shire Council have advised works remain slightly behind schedule. It is anticipated that open water will not be available to users downstream of Sheepstation Creek Crossing, until at least 13th July.

Construction of temporary sand diversions has commenced.
