---

The **2023 season** is now open for marketing nominations. You can now nominate a marketer and place orders for up to 40% of your exposure.

### **2021 and 2022 seasons Exposure Limit increases**

The current allowable Exposure Limits are:

- 2021: increase from 50% to **60%**
- 2022: increase from 40% to **50%**
- 2023: 40%

If you've already nominated forward pricing for 2021 and 2022, it may be a good time to review your information recorded in the [Pricing and Payments](#) tab on GrowerWeb. Eg:

- Nominated hectares and tonnes
- Current orders

- Percentage of crop priced
- Percentage of crop available to price

If you'd like more information or have any questions about our Exposure Limits, please contact a member of the team.
