## <u> Consumer Goods (Quad Bikes) Safety</u> <u>Standard 2019</u>

Legislation has been introduced by the Federal Government to reduce the risk of fatality and injury associated with quad bike use by improving information for consumers and the design of quad bikes. Requirements for all quad bikes will **apply from 11 October 2020** and additional requirements for general use quad bikes from 11 October 2021. Details <u>HERE</u>.
