## How to set Price Alerts on the QSL App

*Current as at March 2021*

### Using QSL Price Alerts

The Price Alert function in the QSL App helps growers monitor the sugar market by sending them an alert when the market reaches a certain price.

For a step-by-step demonstration of how to use Price Alerts within the QSL App, watch the **'How-To' video**, left, or contact your local QSL representative.

The QSL App is free and available through the Apple and Google Play Stores - click the links below for details:
