

Good afternoon members,

Please find below a short news & information brief from QSL that you may wish to use in your communications to your members.

- **New March Guaranteed Floor Pool:** Last week QSL launched a new 2021-Season product – the QSL March Guaranteed Floor Pool. QSL's 'floor' pools give growers the best of both worlds, providing a guaranteed minimum return before the harvest starts, and the opportunity for increased returns should sugar prices rise during the season. **Nominations close 4pm, Friday 5 March.** More information available here: <https://bit.ly/3sBURQk>
- **Nominating tonnes to a QSL product:** QSL reminds all growers nominating tonnes (or editing/cancelling orders) to a QSL-Managed or Grower-Managed pricing product in the 2021 or future seasons, that there is a 3pm deadline. The deadline is significant for those growers who want their 'order' to be available for filling when the market opens on that day, should the market reach their nominated price. After-hours orders (after 3pm) will be available at the next market opportunity (i.e. the following night).
- **QSL video market update:** Have you been wondering what the sugar market and the Aussie dollar are doing? You can find this out, and what other sugar market influencers are doing by catching our video market update on our Facebook page this Wednesday, 3 March, at 4pm. Can't make it by 4pm? Not a problem, the video will stay uploaded on our Facebook so you can watch it any time.
