APPROVED PLANTS PRICES 2021

Points to Note:

1. BPS is the on-seller of approved seed cane and does not set the prices. Prices are set by plot owners and managers.
2. BPS has been granted permission by the owners of all plots to advertise the prices they have set.
3. BPS retains the right to set a management fee to provide and support this service and to cover costs incurred due to:
 - a Unforeseen Circumstances
 - b Transport of planting material to plots
 - c Operation of Isolation plot
 - d Operation of additional Mother plots due to transition to billet planting
 - e Administration of accounts on behalf of plot owners
4. Dedicated Billet Harvesters at plots only - No full Stick harvesting (Due to risk of spreading RSD)
