

## **Seasonal Laboratory Position Available BCAS – Sugar Cane Analyst/Auditor**

### **Overview:**

Burdekin Cane Audit Services (BCAS) are currently looking for new personnel to come and join their auditing team. BCAS auditors operate out of the 4 Burdekin sugar mills – Invicta, Pioneer, Kalamia and Inkerman – and their primary objective is to oversee and audit the Cane Analysis Program (CAP) which forms an integral part of cane payment for the Burdekin cane farming community.

### **The Role:**

As part of the sugar production process there are many different types of samples and analysis techniques required to ensure accurate cane payment. In particular, the cane auditing function specialises in cane weighing, cane juice collection/analysis and cane fibre collection/analysis.

The cane auditing team consists of a workplace coordinator and advanced auditor working a day shift roster and competent auditors working a night shift roster. Positions generally involve collection of samples with accurate and timely analysis. All of these positions are laboratory based. We ask that all applicants be committed to completing an entire crushing season which generally runs from June through to December subject to weather conditions and other factors.

### **Qualifications:**

- Preferably competency at least a level equivalent to a Certificate III in Laboratory Skills

### **Employee Benefits:**

- Attractive shift work remuneration and superannuation
- Seasonal positions available with promotion opportunities
- Ability to rotate between all 4 sugar mills in the Burdekin region
- Training in Certificate III in Laboratory Skills over a 2 year period if already not achieved
- Work as part of a small friendly team where employee wellbeing is valued
- Job share opportunities are available

### **How to Apply:**

Online applications are encouraged. Please send an application to [bcas@outlook.com](mailto:bcas@outlook.com) or alternatively drop in a hard copy to Lauren at Findex Burdekin (167 Queen Street, Ayr, 4807). If you have any questions regarding these positions or applications please contact Christine Mann on 0428 678 447. Applications close midnight Friday 23<sup>rd</sup> April 2021.
