RE: P&K FARMING-SRA 23

We are advised by BPS that on current orders there will be an additional amount of SRA23 available after all orders placed by PCGO and KCGO members are filled. If you do wish to order some SRA23 we ask that you contact your BPS field officer and make your order within the next seven (7) days. If after the expiry of seven days and confirmation of orders from PCGO and KCGO members, any SRA23 remains available it is the intention of P&K Farming to make that variety available for purchase to CBL members (@ \$60.50 incl GST) and AgForce members (@ \$77.00 incl GST).

Please do not hesitate to contact your respective manger if you have any questions.
