QCA to report on SEQ retail electricity market from 2021 to 2025

The Queensland Competition Authority monitors the south east Queensland retail electricity market to assist the Queensland Government to ensure that electricity customers have the opportunity to benefit from competition in the market.

The Minister for Energy, Renewables and Hydrogen has directed the QCA to report annually on the market for the period 2020-21 to 2024-25. The report for 2020-21 will be published on the QCA website by 21 December 2021.

The letter and direction notice from the Minister are available on the [market monitoring 2020-21](#) page of the QCA website.
