

**Tuesday, 27 July 2021**

Dear Les

- Inkerman Mill resumed crushing operations this morning, following the completion of corrective work in the No.1 boiler last night.
- Crushing resumed on Inkerman's B side at 9am and A side at 2pm.
- I'd like to acknowledge the many Wilmar employees who worked tirelessly over recent weeks to resolve the boiler issues and get the factory operational.
- I'd also like to thank Inkerman growers and harvesting contractors for their patience as we worked through the issues.

Best regards

**PAUL TURNBULL**

Burdekin Regional Operations Manager
