

Monday, 2 August 2021

- We have begun transferring additional Inkerman cane to our north bank mills.
- Our transport contractor completed siding inductions early this morning and began transferring full bins from the south side of the Burdekin River to the north side about 7.30am.
- We plan to continue transferring Inkerman cane, seven days a week, for several weeks.
- The transfers will be from Up River Road sidings and Mill Siding in Home Hill to a siding on McDesme Road in Ayr.
- Our logistics officers will review the transfer plans daily, and make the necessary adjustments to minimise the impact of recent factory stops on Inkerman Mill's season finish date.
- Our logistics team will continue to keep Inkerman contractors updated on daily loadings via text message.
- Thank you for your cooperation as we ramp up our cane transfer efforts.
- We remain optimistic of a positive outcome for all sectors of the industry.

Best regards

JOHN TAIT

Burdekin Cane Supply Manager
