- **Changes to farm arrangements:** Planning to buy, sell or lease a farm, or changing your existing business arrangements? QSL Direct growers undertaking such changes need to submit our "Farm Sale/Lease Information Form" to capture any associated changes to payments or their QSL account.  
This form is not a contract – it simply initiates the documentation process by gathering basic information about the transaction to enable QSL to prepare the relevant Deed of Acknowledgement and/or Deed of Novation, to implement associated pricing transfers. This can be done before, during or after the transaction occurs, but ideally, before the transaction occurs. For further information or to commence the process, please contact your local grower services team or the QSL Direct team on 1800 870 756. [Click here for the Farm Transfer Information Form](#)
