

Dear Members,

Nick Dametto MP is planning to host a media event at the Brewery, Townsville on Wednesday, 10<sup>th</sup> November at 11.00am.

Nick will be testing a schooner of the newly brewed - **Great Barrier Reef Gose** *(the Brewery's new beer made with water straight from the Reef)*

Also, a discussion will be held regarding the Committee report that recommended Mr Dametto's reef regulations reversal not being passed.

It will be a largely informal event, but there will be a speaking opportunity for farmers if anyone would like the chance.

If any KCGO members would like to attend, please contact the Kalamia office on ph 47831312 to RSVP by Tuesday, 9<sup>th</sup> November by 10.00am.

Thank you

Dave Paine
