

Members,

Please find below a short news & information brief from QSL that you may wish to use in your communications to your members.

- **QSL Christmas Event:** QSL Burdekin Christmas Party. Friday 3 December @ 5pm. Burdekin Rugby Union Club, Jones Street, Ayr. RSVP to Kristen - Kristen.paterson@qsl.com.au
- **Advance rate increase:** The QSL Standard Advance Rate rose to **72.5%** last week. QSL's Accelerated Advances option is also available for the 2021 Season and increases your Advance rate to 90% in December for tonnage priced using our Guaranteed Floor and/or grower-managed pricing options. **Nominations for Accelerated Advances close 30 November 2021** and can be made via the QSL App or QSL Direct Portal. [Click here for more information.](#)
- **Have you finished harvesting your 2021 crop?** If you are a grower who has either cut out or will cut out before your local Mill's crushing conclusion date, please ensure you notify your local QSL team. This helps us with your payments and planning. It is also important for growers in our Self-Managed Harvest Contract who may be eligible to price their production buffer.
- **BAS reporting in Wilmar milling districts:** Growers in Wilmar milling districts completing their BAS are reminded that QSL now applies 10% GST to sugar payments. You can find more information regarding the GST changes and what they mean for your bookwork by [clicking here](#), or by contacting your local QSL team. This [video link](#) provides a quick guide to where you can find this important GST information on your QSL paperwork.
- **Market Update Video:** Don't miss our next video market update, scheduled for Wednesday 24 November from 4pm with QSL Assistant Manager, Treasury & Risk Barbara Roberts. These 5-minute snapshots provide a great overview of the key themes affecting sugar prices for Australian producers, and are available to watch any time via our [Facebook page](#).
