## Have you finished harvesting your 2021 crop?

If you are a grower who has either cut out or will cut out before your local Mill's crushing conclusion date, please ensure you notify your local QSL team. This helps us with your payments and planning. It is also important for growers in our Self-Managed Harvest Contract who may be eligible to price their production buffer.

## BAS reporting in Wilmar milling districts

Growers in Wilmar milling districts completing their BAS are reminded that QSL now applies 10% GST to sugar payments. You can find more information regarding the GST changes and what they mean for your bookwork by [clicking here](#), or by contacting your local QSL team.

The following video provides a quick guide to where you can find this important GST information on your QSL paperwork.

Don't miss our next video market update, scheduled for **Wednesday 24 November from 4pm** with QSL Assistant Manger, Treasury & Risk **Barbara Roberts**. These 5-minute snapshots provide a great overview of the key themes affecting sugar prices for Australian producers, and are available to watch any time via our [Facebook page](#).

## Coming events
