Pioneer Mill crushed out for the 2021 season just after midnight.

The last bin goes through the tippler for Pioneer Mill's 2021 season.

Process Improvement Engineer Sean Anderton and Operations Coordinator Dean McNamara saw the last bin tipped.

The last bin was tipped at **11.58 last night**, and the last cane was crushed at **12.03am today**.

We processed about **1.63 million tonnes of cane** this year, with a provisional season CCS of **14.6 units**.

I'd like to acknowledge Pioneer Mill's Operations Team and the Cane Supply and Transport team for their hard work in processing this year's crop.

On behalf of the team at Wilmar Sugar, thank you for your cooperation during the 2021 season.

Best regards

PAUL TURNBULL

Burdekin Regional Operations Manager
