This week's adjustment

QSL processed an adjustment for Wilmar growers yesterday incorporating a CCS change and updated QSL Advance payment values.

Growers are reminded that where this adjustment has resulted in a negative value, this sum will be automatically carried forward and applied to your next scheduled QSL sugar payment. The Recipient Created Adjustment Note (RCAN) detailing the adjustment has been issued for record-keeping/taxation purposes only and is not a request for payment.

As a result of the adjustment above, this week's sugar payments were made in a separate transaction this morning. We apologise for any inconvenience this delay may have caused.

Should you have any queries regarding this adjustment, please contact your local QSL team or call 1800 870 756.
