Make your voice heard

Unhappy with STL's plans to remove QSL as operator of the industry's bulk sugar terminals and become a monopoly owner-operator? You can support QSL's efforts to fight STL's plans by assigning your STL G-class share proxy to QSL.

Assigning your proxy to QSL does not reduce your STL shareholding, and you will still own your STL shares and receive any dividends paid during the proxy period. However, your G-class voting rights will be transferred to QSL for the proxy period, adding your voice to the grower proxies already assigned to QSL.

For more information or to assign your proxy to QSL, please contact your local QSL team.

Disclaimer: Please note that QSL does not provide financial advice and growers should seek their own financial advice in relation to this matter.

2022 Loyalty Bonus

Time is running out to lock in your Loyalty Bonus for the 2022 Season.

To qualify for this additional payment, growers must have QSL nominated as their GEI Sugar Marketer for the 2022, 2023 and 2024 Seasons by **30 June 2023**.
