Selling or leasing your farm?

It's important for QSL Direct growers who are planning changes to their farm's operating structure (such as a farm sale, new lease or subdivision) to inform their local QSL team as soon as possible. QSL will work with you to ensure your account is set up correctly, ready for the new season. For

further information or to commence the process, please contact your local QSL office or the QSL Direct team on 1800 870 756.

Make your voice heard

Unhappy with STL's plans to remove QSL as operator of the industry's bulk sugar terminals and become a monopoly owner-operator? You can support QSL's efforts to fight STL's plans by assigning your STL G-class share proxy to QSL.

Assigning your proxy to QSL does not reduce your STL shareholding, and you will still own your STL shares and receive any dividends paid during the proxy period. However, your G-class voting rights will be transferred to QSL for the proxy period, adding your voice to the grower proxies already assigned to QSL.

For more information or to assign your proxy to QSL, please contact your local QSL team.

Disclaimer: Please note that QSL does not provide financial advice and growers should seek their own financial advice in relation to this matter.
