## 2023-Season initial Advance rate

QSL's initial Advance rate for the 2023 Season has been set at **65%**. For QSL Direct growers, payments will be calculated using your weighted average result as of 12 May 2023. Bundaberg and non-QSL Direct growers should refer to their mill paperwork for details of their Advance payment.

## Updating payment info via the QSL App

QSL Direct growers can now update their third-party payment information on the QSL App. It's one of the many change requests Pricing Managers can access under the 'MORE' tab within their accounts. Other handy features in this section include:

- Managing Authorised Viewers
- Changing Pricing Managers
- Updating farm bank account details
- Adding, changing or cancelling third-party payment arrangements, and/or updating bank account details and payment allocations for these

Contract your local team for assistance.

## 2022 Loyalty Bonus

Time is running out to lock in your Loyalty Bonus for the 2022 Season. To qualify for this additional payment, growers must have QSL

nominated as their GEI Sugar Marketer for the 2022, 2023 and 2024 Seasons by **30 June 2023**.

## Selling or leasing your farm?

It's important for QSL Direct growers who are planning changes to their farm's operating structure (such as a farm sale, new lease or subdivision) to inform their local QSL team as soon as possible. QSL will work with you to ensure your account is set up correctly, ready for the new season ahead. For further information or to commence the process, please contact your local QSL office or the QSL Direct team on 1800 870 756.

## Tap into the power of the QSL App

As we head into the 2023 Season, the QSL App offers more handy tools to support your business than ever before. Watch this short video for a quick tour of some of its most popular features.

The QSL App is available free via the [Apple](#) and [Google Play](#) stores, or see your local QSL team for assistance.

### **2023 Harvest Pool Opt Out now available**

The 2023-Season Harvest Pool Opt Out is now available to QSL Direct growers. No minimum tonnage is required – simply choose to Opt Out and any of your Harvest Pool tonnage which has not already been priced by QSL will be transferred to the Self-Managed Harvest Contract so you can price it yourself. Just click the Harvest Pool Opt Out button available within your QSL Direct account to view the current value of your priced Harvest Pool tonnage, how much remains unpriced, and the ICE 11 contracts you'll need to price it against if you decide to opt out and start pricing it yourself.
