Queensland Small Business Grants

- Business Boost grants of up to \$20,000 to help Queensland businesses are up for grabs.
- \$2.5 million will be available in this round.
- Business Boost grants have already helped 379 businesses which have shared in more than \$4.7 million.

The Business Boost grants program provides support to businesses to improve their efficiency and productivity through organisational development.

The grants can be used for activities that will create growth, such as strategic business planning, design and implementation of sophisticated cloud platforms and online management systems, and, planning and systems for staff management and development.

Business Boost Grants are a vital pillar of the Queensland Government's Big Plan for Small Business Strategy 2021-23.

The Business Boost Grants Guidelines have been updated for this round and are available online now and businesses will be able to register their interest from 9am on 6 September 2023 until 5pm on Friday 12 September 2023.

2023 Innovate with nbn[®] Grants Program

Applications for the [2023 Innovate with nbn Grants Program](#) are now open.

Now in its third year, the initiative aims to help regional based businesses and individuals transform their great ideas into game-changing achievements.

Run in partnership with the Regional Australia Institute (RAI), the Innovate with **nbn** Grants Program is part of our commitment to lift the digital capability of people and business in regional Australia.

Last year **nbn** received many applications from businesses right across regional Australia who are doing wonderful things digitally enabled through the **nbn**.

There is \$125,000 in total funding up for grabs to support regional and remote businesses drive the development and adoption of their ideas. Across seven categories – Agriculture, Arts, Education, Health, Indigenous Business, Tourism, and Women in Regional Business – each winner receives \$15,000.

The overall Innovate with **nbn** Champion will be awarded an additional \$20,000 grant to help take their idea to the next level.

We are looking for businesses that are harnessing the benefits of the **nbn** network to develop products or solutions that improve digital participation, productivity or social outcomes for regional and remote Australians.

The closing date for applications is **midnight Friday 29th September**.
