

QSL Weekly Update

12 January 2024

QSL values your feedback

QSL's Annual Grower Survey has kicked off for another year, with QSL Direct Pricing Managers and primary contacts in non-QSL Direct regions receiving a link to the survey via email last week. To help us deliver the best possible service and products, growers are encouraged to take a few minutes to provide their feedback.

If you haven't already completed the survey, a reminder email was sent to you earlier today. If you are yet to receive a copy of the survey in your inbox, please get in touch with your local QSL team.

The survey closes **5pm Saturday 3 February 2024**.

Quarterly ledgers now available

QSL Direct growers will be able to find a summary of all their QSL transactions for October 2024 to December 2024 when the latest

Quarterly Ledger is uploaded to their accounts later tonight.

2024-Season pricing commitments

In light of weather events across Far North Queensland last month, any QSL growers who are concerned about their ability to meet their 2024-Season pricing commitments should contact their local team to discuss their options.
