Boost your cash flow in 2024 with our flexible **PRE-SEASON PAYMENT**.

Our Pre-Season Payment puts money in your pocket before the crush, and it comes with a competitive fixed interest rate of **5.75%** for the first 6 months.

You can choose from **two repayment schedules**, giving you even greater control of your cashflow.

OUR OFFER

- > You can apply for pre-payment of **\$5/tonne of cane** nominated to Wilmar.
- > You can apply for all - or part of - your nominated cane tonnes.
- > You can use the cash however you want.

KEY DATES

- > Nominations may be made between **1 January and 10 May 2024**.
- > Cash is advanced 10 business days after the 10th day of the month you

have nominated.

- > We'll recover the payments from your cane pay once you start supplying cane for the 2024 crush. However, all proceeds must be repaid before **31 December 2024**.

FLEXIBLE REPAYMENT OPTIONS

- > You can select your own repayment schedule.
 - > Choose either **50% or 100%**.

HOW IT WORKS

- > The **50% option** means half of your successive cane pays are used to repay your Pre-Season Payment, including interest, until it is fully repaid.
The other half is retained for your own cashflow.
- > The **100% option** means each of your successive cane pays are used to repay your Pre-Season Payment, including interest, until it is fully repaid.
- > Repayments stop when the Pre-Season Payment and interest is repaid in full.
