Business Basics Grants

The Business Basics grant provides support to small businesses to increase core skills and adopt best practices. This round is focused on fostering resilience. Applicants can apply for \$5000 under the following priorities:

- Business continuity and succession planning
- Security planning and solutions
- Sustainability

Registration of interest applications will open for two weeks starting at 9am on Wednesday 29 May 2024, closing at 9am on Tuesday 11 June 2024.

Registration of interest is through a short online form.

From there, applications will be assessed through a ballot system and eligible businesses invited to complete a full application. Review the full guidelines and FAQs on the [Business Queensland website](#).
