Comments:
 All four Burdekin mills started the week well before widespread rain on Tuesday stopped all harvesting and persistent follow up rain prevented a restart of harvesting for the remainder of the week. Kalamia was the first mill to stop at 08:47 on Wednesday morning, followed by Pioneer at 10:44, Inkerman at 18:14 and Invicta on one train at 06:54 on Thursday morning
 CCS was still well above budget but moderated by the wet conditions.
