

QSL Weekly Update

30 August 2024

20 September | Upcoming pricing deadline

Target Price Contact

Any 2024-Season Target Price Contract tonnage not priced by 20 September 2024 will automatically have its pricing window extended and roll adjustments applied.

Individual Futures Contract and Self-Managed Harvest Contract

Any unpriced tonnage allocated to the ICE 11 October 2024 contract through the Individual Futures Contract and/or Self-Managed Harvest Contract that is not rolled by 20 September 2024 will be priced by QSL at the next market opportunity.

More information on QSL's Grower-managed pricing product is available by [clicking here](#).

Central Region shed meetings

Thank you to the growers from the Proserpine, Plane Creek and Mackay regions who joined us this week to hear the latest market news from QSL Assistant Manager Trading and Risk Elliott Apel.

Education | Jackson Hole Economic Symposium

The Jackson Hole Economic Symposium is organised annually by the Federal Reserve Bank of Kansas City and brings together central bankers and economists from around the world to discuss critical economic issues, with a focus on monetary policy. The three-day event is seen as highly influential, with market participants following the speeches and

presentations delivered closely.

Catch up on the latest raw sugar market and currency activity in this week's Market Update, available by [clicking here](#).

2024-Season pricing commitments

Concerned about meeting your pricing commitments? QSL has a range of mechanisms available to help address overcommitment, including washing out positions or rolling pricing forward into the next season.

Growers who are worried about delivering enough sugar to satisfy their 2024-Season orders can contact their local QSL team to discuss the options available to them. Please note that the options available to growers in non-QSL Direct regions are at the discretion of their miller.

More information about QSL's non-delivery options is available by [clicking here](#).

Agrotrend Bundaberg 2024

QSL is a proud supporter of this year's Agrotrend being held in Bundaberg next month.

Where: Bundaberg Recreational Precinct, University Drive, Bundaberg

When: Friday 20 and Saturday 21 September – Stop by the Canetrends stall on Friday 20 September to have a chat with QSL Grower Relationship Officer Glenn Harris.

More information on the event can be found by [clicking here](#).

Daily market commentary

It's now easier than ever for growers to stay across market movements with QSL's daily market commentary. Introduced to our Daily Price Email and to the Sugar Prices page on our website, these concise summaries outline the key market developments from the previous market session.

To receive these updates direct to your inbox, simply sign up for the Daily Price Email by [clicking here](#).

Key Dates 2024

20 September

Any unpriced tonnage allocated to the ICE 11 October 2024 contract through the Individual Futures Contract and/or Self-Managed Harvest Contract that is not rolled by this date will be priced by QSL at the next market opportunity.

20 September

Any 2024-Season Target Price Contract tonnage not priced by this date will automatically have its pricing window extended and roll costs may apply.

31 October

Last day for growers to nominate QSL as their GEL Sugar marketer for the 2025 Season.
