

BUSINESS UPDATE

Sugar and Renewables

Wednesday, 21 August 2024

Unions have notified us of planned industrial action at all sites from 5am to 6am this coming Friday (August 23).

The impact of the stoppage is expected to range from 7.5 hours to 11 hours, depending on each site's circumstances.

Our Burdekin mills are currently stopped due to wet weather. We will know in the coming days whether there is enough cane supply to restart operations ahead of Friday's industrial action.

Our logistics officers will be in touch with harvesting groups about the impact to loadings leading up to, and during, the extended stop.

Unions have also notified of planned industrial action at all factories from 12 noon to 1pm for next Monday (26 August).

Best regards
