QSL Market Update Shed Meetings

Burdekin Growers are invited to join QSL Marketing and Risk Officer Elliott Apel for a QSL information and market update. Elliott has vast experience within QSL, holding roles in grower pricing analytics and grower payments and now specialises in sugar marketing, trading, and financial risk management. Elliott manages the performance of the QSL Pools, and actively trades for QSL on the ICE #11 and Foreign Exchange markets. Elliott regularly connects with key contacts in the global sugar industry, and has an extensive understanding of the sugar market.

Come along to find out about:

- Factors driving movement of the ICE 11 and the AUD
- The pricing outlook
- Global sugar production forecasts for major sugar producers

RSVP using one of the blue buttons below or call or text Hugh Leeson-Smith on 0429 054 330. Refreshments will be provided.
