

On Farm Connectivity Grant Returns!

Round 2: Boost Your Ag Tech with

Australian Government

Department of Infrastructure, Transport,
Regional Development, Communications and the Arts

FARMACIST

Farmacist PTY LTD is an approved supplier of Round 2 of the Department of Infrastructure, Transport, Regional Development, Communications and the Arts On Farm Connectivity Program. While the round is not yet open for rebates, we are happy to discuss your connectivity needs in preparation for the opening of the round. For those intending to apply, we will not be entering any agreements or taking any payments prior to the opening of the round as the sale of eligible equipment prior to the opening date will not be eligible for rebates.

Grower Opportunities: Funding Info and Demo Night.

Farmacist will be holding a Grower Information night at the Queens Hotel Ayr at 6pm this coming Wednesday (6th of November) to introduce the Burdekin to both current and upcoming funding opportunities!

When: November 6th at 6:00 PM

Where: Queen's Hotel, Ayr

RSVP: Chris Doblo 0438 331 527

- ✓ A complete demonstration of Farmacist's irrigation automation options
- ✓ Eligibility requirements under the On Farm Connectivity grants.
- ✓ Bart Stevens presenting on potential funding opportunities and Government assisted loans.
