

Queenslanders... What can't you live without?

This November, alongside our members Cotton Australia, Canegrowers and Queensland Fruit & Vegetable Growers, QFF are shining a light on the food and agricultural products we all use and consume every day, by asking Queenslanders to let us know why they can't live without farmers.

We are pleased to share with you some of the incredible entries we have received in the email below.

There is still time to enter. Simply tell us in 25 words or less and include a great photo, OR create a short 10-15 second video letting us know what food and agricultural product you can't live without and go in the running to win a 2-night farm stay in southeast Queensland. Entries close 11:59pm AEST Saturday, 30 November 2024. [Terms and conditions apply.](#)
