

# SRA AGM

26 November 2024

Join us and  
have your say

**Remember to mark your calendar and please join us online or in person for the AGM next Tuesday, 26 November 2024, commencing at 11:00am (AEST).**

This year, you as a member have the opportunity to vote on the election of three (3) Directors, including a new Chair of the Board. These are key roles that will continue to drive strong, purposeful outcomes to ensure the sugarcane industry continues to prosper.

Come and have your say and ask questions about your industry owned research and development centre. If for any reason you cannot attend, you can submit your proxy form by this Friday. Please refer to the AGM notice on details on how to nominate a proxy.

If you would like further information, or would like to know how you can contribute to this important event in the SRA calendar, please call on 07 3331 3333 or email us at [members@sugarresearch.com.au](mailto:members@sugarresearch.com.au).

Kind regards,  
Sugar Research Australia
